

faxing simplified. anytime. anywhere.

# Introducing MyFax®

The ultimate productivity  
booster for real estate  
professionals.

MyFax® is an Internet-based fax service that lets you send and receive faxes using existing email accounts and the web. MyFax eliminates fax machines, fax servers and everything that goes with them, such as supplies, dedicated lines and long distance charges. No more busy signals; no more waiting. And no more paper!

## Fax By Email

### Stay ahead of the competition

In real estate, opportunity doesn't knock, it faxes. But to stay ahead of the competition you need to be as mobile and accessible as possible. If you're still using a traditional fax machine and running back and forth between properties and the office just to pick up faxes. How mobile are you?

## The Secret Weapon Every Real Estate Professional Should Have

Discover what tens of thousands of real estate agents already know; MyFax is the idea solution for sales professionals like you who spend the majority of time away from the traditional office. And that means you'll finally be totally mobile and completely accessible to your clients.

## Real Benefits

Fax communications are essential to any real estate agent. Unfortunately, traditional fax solutions can be inconvenient, time consuming, unreliable and costly.

With MyFax, all of these drawbacks are eliminated. There's no need to purchase, install, or maintain new software or hardware. MyFax uses your existing email, the Internet, or handheld device providing a cost-effective solution that allows you to send and receive faxes from anywhere you have Internet access.

**Instead of wasting valuable time sending and receiving faxes from your office, you'll be totally mobile...totally accessible.**
